Welcome to the Clara Mill Designs hand-painted pottery catalog. It's full of unique patterns, designs and functional pieces you'll use in your home year after year. Creating memories, creating moments, creating style is our passion and it's a pleasure to bring you the latest, and the tried and true, in our line of hand-painted pottery.

We both were born, raised, and still reside in Jasper, Indiana. Our grandmothers had great influences in our lives, helping us to believe in ourselves, to go after our dreams, to always have faith and to cherish traditions, plus create new ones, for our families. Clara and Millie, to you we say thank you for being part of our lives both here on earth and today in spiritual form. Our work at Clara Mill Designs was given birth by these wonderful ladies.

Our lives are filled with supportive husbands, energetic children pictured throughout this catalog, and the joy of careers which allow us to share our talent. Our faith in God directs both our personal and business life. Just as God created us to be unique individuals, each piece in our hand-painted pottery collection is one-of-a-kind for you to cherish. Turn the pages of our hand-painted pottery collection catalog and discover your style to use today and treasure for a lifetime.
